Yeshiva Tiferes Yehuda Aryeh of Carteret

The Yeshiva Gedola of Carteret opened its doors in Elul of 2006, named for R' Yehuda Aryeh (Leon) Mayer ז"ל. A post-high school Bais Hamedrash, the Yeshiva is a haven for the serious talmid aspiring to greatness in Torah. The Yeshiva is headed by two dynamic and talented Roshei Yeshiva, **Rabbi Yaakov Mayer** and **Rabbi Azriel Brown**, a most capable pair who work with remarkable synergy,

and have established themselves as masters at helping each individual student realize his unique talents and strengths. The Yeshiva is a greenhouse for personal growth, where students are imbued with a strong love for learning, a sense of communal responsibility, and refined character traits. The warm camaraderie and exceptionally close relationship between the rebbeim and each talmid is the hallmark of the Yeshiva, which is more reminiscent of a family than a school.

Tucked away in the small borough of Carteret, the Yeshiva provides its talmidim with peace of mind and an environment most conducive to learning, away from the distracting hustle of the city.

Rabbi Brown and Rabbi Mayer, both natives of Far Rockaway, New York, opened

Rockaway and לבח"ל Harav Yaakov Weinberg זצ"ל of Baltimore.

Perpetuating the Torah

It is with great excitement that the Yeshiva begins this new chapter in its growth, the writing of its very first Sefer Torah. The Gemara (סוטה לה) teaches that although the ארון appeared to be carried, in truth it carried those who bore it. The timeless message is that one who supports Torah is actually being nurtured by the Torah itself.

This milestone project is intended to do far more than just provide a much-needed Sefer Torah. It is meant to be a springboard to build and strengthen a growing bastion of Torah.

May all who participate in this endeavor

be granted the many blessings foretold for those who support Torah.

In Memory of
Dr. Yosef Brown

ר' יוסף בן עזריאל ז"ל

"Philadelphia was different because of Dr. Yosef Brown ז"ל."

These were the words spoken by Harav Shmuel Kaminetsky זצ"ל at the לוייה of Dr. Brown, a man who was in the midst of his tenth cycle of Shas at the time of his petira, despite never having had a Yeshiva education.

Dr. Brown was born in Philadelphia in 1919. Despite the death of his father several months after his birth, and the lack of Jewish schooling, he remained steadfast in his

Yiddishkeit, raising children, grandchildren, and great-grandchildren who are עוסקים בצרכי, and לומדי תורה, Rabbonim, ציבור. Dr. Brown was the true personification of commitment to and growth in תורה against tremendous obstacles.

Due to his lifelong קשר to תורה, the Brown, Stewart, and Ungar families are dedicating a ספר תורה in his memory to the Yeshiva Gedola of Carteret, where לבח"ל his grandson, Rabbi Azriel Brown, continues to perpetuate his legacy.
